

## Fort Detroit Golden Retriever Club

It is the recommendation of the Fort Detroit Golden Retriever Club that only dogs known to be free of serious heredity problems be bred. The Fort Detroit Golden Retriever Club **STRONGLY** recommends that buyers check this information on breeding animals when considering the purchase of a Golden Retriever.

| Member Name/Area  | Kennel Name | E-Mail/Website                                     | Phone Number                             | Key                       |
|---|-------------|--|--|---------------------------|
